Lumora Authorized Reseller Program - Partner Guide 2026

For retail and online partners. Confidential.

1. Joining the program

Resellers must operate a physical store or an online shop with its own domain, and must be registered as a business. The minimum opening order is USD 2,500 (or EUR/GBP equivalent). Applications are reviewed by the Channel Sales team within 10 business days.

2. Partner tiers and margins

Tier	Annual purchase volume	Margin on MSRP	Payment terms
Standard	Below USD 50,000	30%	Prepayment
Gold	USD 50,000 - 250,000	35%	Net 30
Platinum	Above USD 250,000	38%	Net 45

3. Pricing rules

Resellers must respect the Minimum Advertised Price (MAP), which is 90% of the MSRP. Discounts below MAP may be offered in store but not advertised online. Repeated MAP violations lead to suspension from the program.

4. Demo units

Partners can buy demo units at 50% of the dealer price, with a maximum of 2 demo units per product per store.

5. Warranty handling

End customers of resellers contact Lumora support directly for warranty claims. Resellers do not process warranty replacements themselves.
